### When Jesus Shows Up

Some time ago a lady sent into an ice cream shop in Beverly Hills, Calif., to buy an ice cream cone. She was shocked when Paul Newman (famous actor from the 60's & 70's) walked in and stood right behind her. Although rattled, she was determined to maintain her composure. She paid for her ice cream cone, then confidently walked out. Outside, she realized she didn't have her cone. Not wanting to look foolish, she waited a few minutes before reentering the store. When she didn't find her ice cream cone at the counter, she paused to contemplate where it could be. A soft tap on the shoulder interrupted her thoughts. She turned to find herself face to face with Paul Newman. He politely suggested that if she was looking for her ice cream cone, she might look in her purse.

When Paul Newman showed up he had an amazing impact on that lady. Famous people tend to have an impact on us. What about Jesus, the divine Son of God? When Jesus shows up, He will have an impact on our lives. Think about the impact He had on the disciples after His resurrection: "Then, the same day at evening, being the first day of the week, when the doors were shut where the disciples were assembled, for fear of the Jews, Jesus came and stood in their midst and said, "Peace be with you." When He had said this, He showed them His hands and His side. Then the disciples were glad when they saw the Lord. So Jesus said to

## What does “selah” mean in the Bible?

A few times during the Lent season, the Psalm had the word “selah” at the end of some verses. This word is found in only the books of Psalms and Habakkuk.

Although some scholars disagree on its root meaning, the general consensus is that “selah” is a direc-

tion for musicians to either pause, sing a capella, or let instruments play alone. In either case, its meaning to praise, lift up, and pause can be applied.

Regardless, God has ordained that it be included in His Word, the Bible.

them again, “Peace to you! As the Father has sent me, I also send you.” And when He had said this, He breathed on them and said, “Receive the Holy Spirit.”

There were four things that happened when Jesus showed up:

1) When Jesus shows up He will bring you peace. Peace is not something that comes from positive thinking. Peace is a gift from God. Peace is a gift that protects our hearts.

2) When Jesus shows up He will bring you a new perspective. Until the resurrection appearances, the disciples were confused. When Jesus came and showed them His hands and side, they understood that death is not the end.

3) When Jesus shows up He gives you a new purpose. There is a transformation that happens in the disciples. Up until that moment the disciples were the ‘frozen chosen’. They were fearful, ineffective. Jesus lit a fire under his disciples. He gave them a

reason to be alive. They turned the world upside down for Christ.

4) When Jesus shows up He gives you a new power. The Holy Spirit gives us power over our weaknesses. We do not have the power within ourselves to live the Christian life. The Holy Spirit helps us with our struggles. The Holy Spirit gives us power to live a victorious Christian life. We all need that power!

Jesus is here right now! He shows up if we allow him to do so. May we allow him to have his way in our lives!

See you in church!  
Pastor Steve

The story is told of a pastor who asked his congregation, “How many of you are willing to forgive your enemies?”

Everyone was ... except for one old guy.

“Why not?” the pastor asked.

He replied, ‘Cause I have none ... I’ve outlived them all!’
